Freedom of the truth

PASTOR SEGUN IDOWU

There was a time when Jesus was talking about who He is to the people and many did not believe Him or understand what He was telling them and there was a dispute about who He is. But the bible recorded that many believed in Him despite many that did not.

Then Jesus said to those Jews who believed Him, "If you remain in My word, then you are truly My disciples. You shall know the truth, and the truth shall set you free." John 8:31-32

Jesus was able to assure the people who believed in Him that His word is the truth and when we stay in His word we will truly be free. The truth of His word will set us free! You see despite all the things we hear and see in the world today talking against God, the truth of God's word has never change, the truth in God's word has never lost its effect and efficacy in the lives of those who believed and act on it. It truly set free.

Jesus said that the thing is to remain in His word, despite any contrary evidence, we must believe that His word is the truth and it will accomplish what it has been sent to do every time, anytime because it is the truth.

so, shall My word be that goes forth from My mouth; it shall not return to Me void, but it shall accomplish that which I please, and it shall prosper in the thing for which I sent it. Isaiah 55:11

Why was Jesus sure that His word will bring freedom into our lives, it's because it is the same Word that Jesus used all the days of His life on earth. He proved it at every turn. He lived a life of freedom from sin, sickness, disease and poverty. The devil could not defeat Him despite all the temptations and attacks he brought His way. Jesus lived a life of freedom because He remain in the word. We can live a life of freedom when we remain in His word.

Freedom of the truth contd

What's special about the words of Jesus? His word is the word of God, every word He spoke whilst on earth was not His own they were from God directly. Contrary to what many think, whilst Jesus was on earth, He did not live as God though He was God, He lived as a son of man anointed by the Holy Ghost that is why he said he never say or do anything except what God tells Him to say or do, He lived and acted by the Word from God every day on this earth. (See John 14:10; John 12:49)

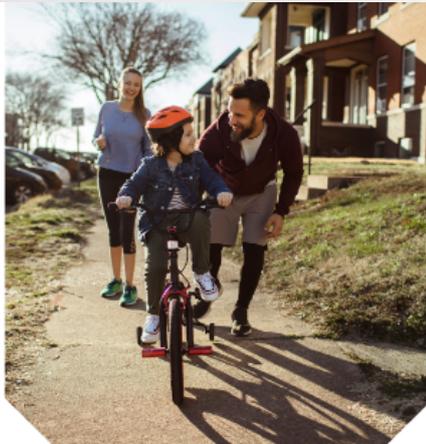

We can do that as well, we can remain in the word at all times and lived a truly free life like Jesus did.
